

# S M Nahid Hasan

Java Spring Boot Developer

**Email:** smnahid.hsn@gmail.com
**LinkedIn:** linkedin.com/in/devnahidhasan
**GitHub:** github.com/DevNahidHasan
**Address:** Dhaka, Bangladesh

## Career Objective

Computer Science student with a strong passion for backend development, currently focused on Java, Spring Boot, and Microservices to build scalable, real-world systems. Expanding frontend expertise through JavaScript, with plans to advance into TypeScript and Angular for creating responsive, user-friendly interfaces. I aim to keep sharpening my skills and contribute to building systems that are not only functional but also reliable and scalable.

## Technical Skills

**Backend:** Java, Spring Boot, Spring MVC, Hibernate, Spring Data JPA, Spring Security
**Frontend:** Thymeleaf, JavaScript, HTML, CSS
**Database:** PostgreSQL

## Education

**Daffodil International University** **CGPA 3.92 out of 4.00**
B.Sc. in Computer Science and Engineering

## Projects

- **Untold Stories -** An anonymous space for students to share university life experiences and challenges. Developed with **Spring Boot, Spring MVC, Spring Security, Thymeleaf, JPA/Hibernate, H2 Database, Lombok, and Gradle.** Implemented **login/logout validation** and **role-based access control** for ROLE_USER and ROLE_ADMIN.
- **Student Manager -** Built a responsive student record management app using **Spring Boot, Spring MVC, Thymeleaf, and PostgreSQL**, with validation rules and a modern UI.
- **Quiz Craft** - Developed an online quiz system with **Spring Boot, Spring MVC, Thymeleaf, and H2 Database**, supporting dynamic random questions, result tracking, and responsive design.

## Extracurricular Activities

- **Section Champion** in ***Take Off*** programming contest, secured a **top-100 overall rank** after preliminary and final rounds.
- **Finalist** in ***Unlock the Algorithm*** coding contest**,** recognized for strong problem-solving and algorithmic skills.
